

When Firefighters Help!

(sung to "The Ants Go Marching One by One")

When firefighters start their day,
Hurrah, hurrah!
They're ready to help in every way,
Hurrah, hurrah!
They raise their ladders from the ground
And rescue people safe and sound.
Yes, we all give thanks
When firefighters help!

When firefighters get a call,
Hurrah, hurrah!
They bravely rush to help us all,
Hurrah, hurrah!
They spray their hoses all about
Until the fire has been put out.
Yes, we all give thanks
When firefighters help!

Oh, firefighters do such good,
Hurrah, hurrah!
They help protect our neighborhood,
Hurrah, hurrah!
Let's visit our fire station crew,
And thank them for the job they do.
Yes, we all give thanks
When firefighters help!
